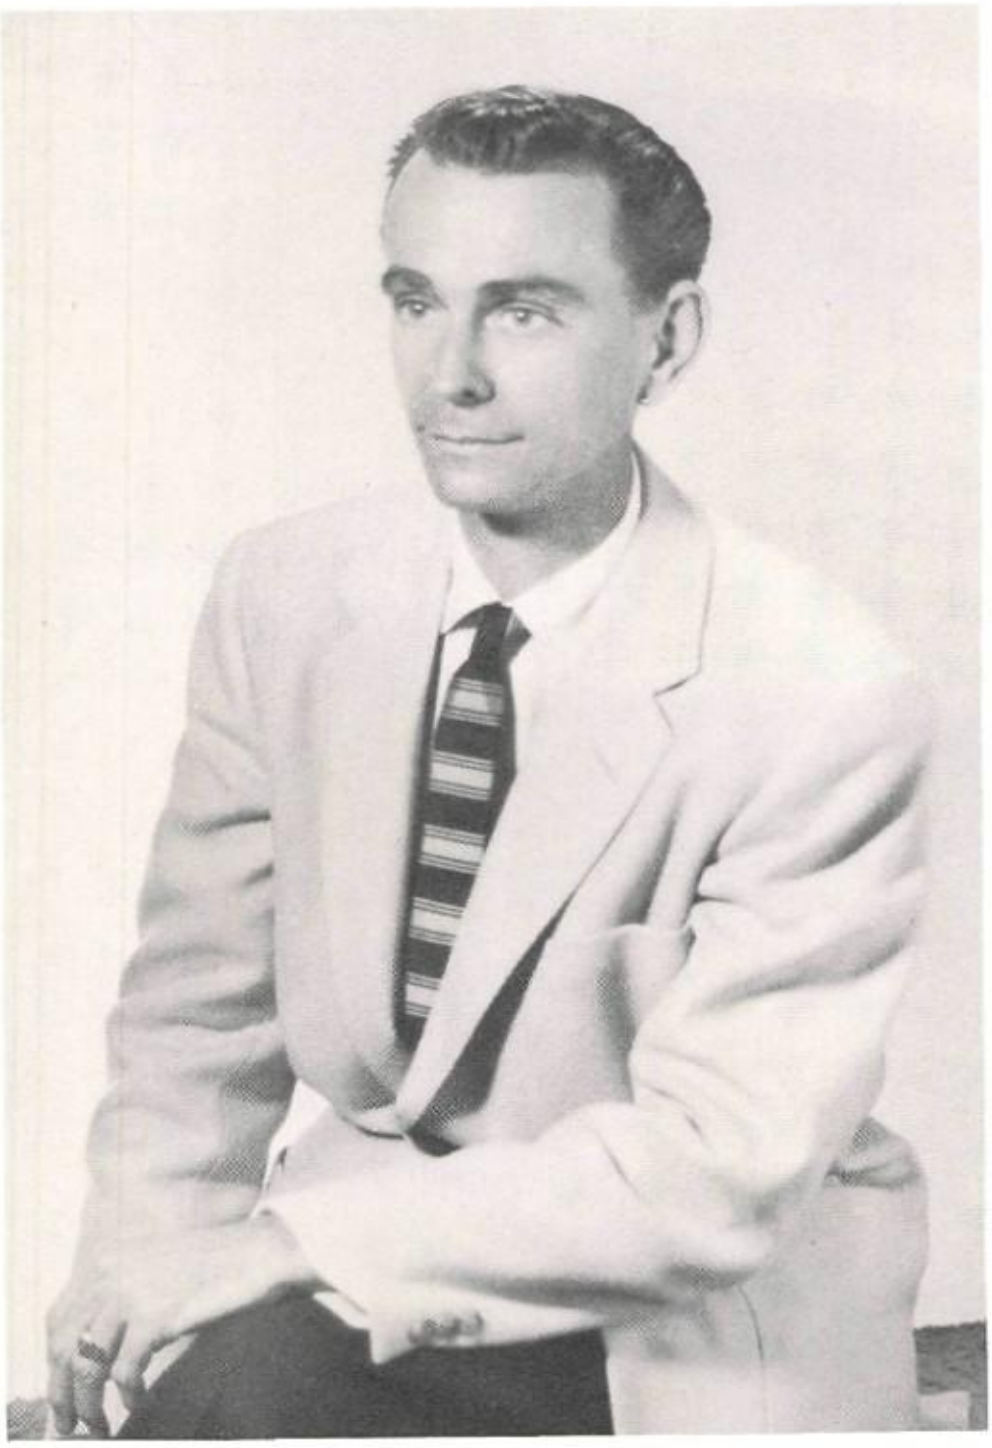
A TRIBUTE

Mrs. A. N. McCallum

For her undying devotion to our school and its activities; for her loyalty to our cause; for her steady support of civic and school affairs and her top-notch performance as a citizen of Austin, Texas and the U.S.A., we salute the gracious lady for whose husband our school is named, Mrs. Jane Y. McCallum.

DEDICATION

Mr. James William Collins



"God in His image created a place in life for every man." With a philosophy of life deeply imbedded with these golden words, Mr. Jim Collins has dedicated his life to the youth of Austin and McCallum. Needless to say, life with all its many attractions for a man of his caliber, has failed to conquer the spirit that he has developed in working with young people. His untiring efforts, outstanding ability, and good nature have helped to make McCallum High School great. Coupled with his know-how and hard work, many laurels from all over the state have been spread before McCallum's doors as a result of his handiwork. Let all McCallum High School, both students and faculty, join us in our salute to the genial speech teacher who has spent so many hours guiding and counseling students in their work. To Mr. Jim Collins, we, the students of McCallum High School, dedicate this 1955 KNIGHT ANNUAL and say "Thanks."

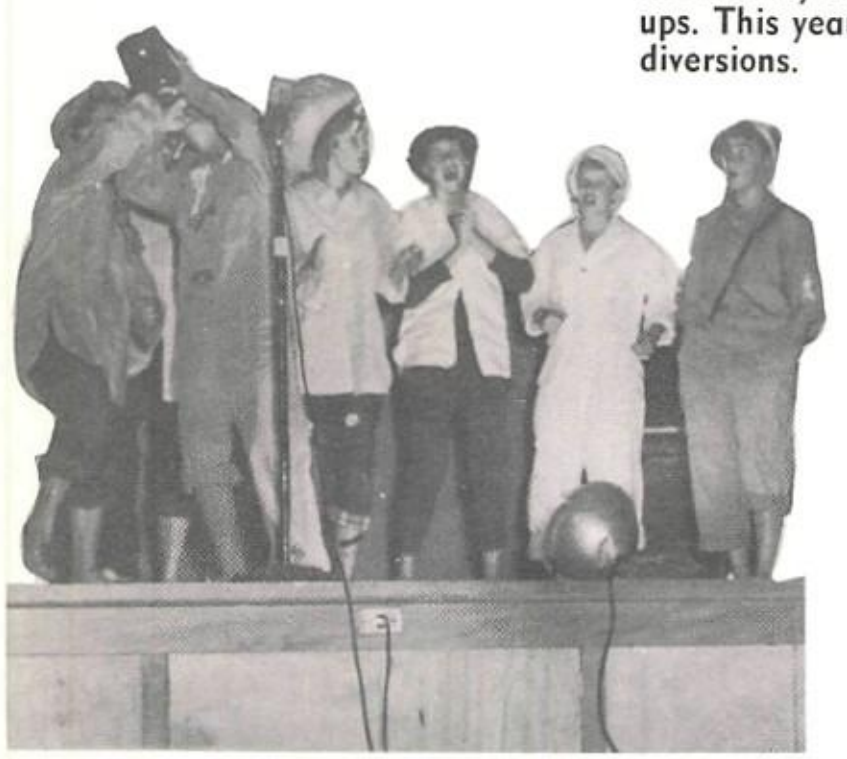
The Fling

The whole family comes to the Fling at McCallum, and are entertained by a variety show and a midway after choosing from a variety of food in the cafetorium. Sideshows, guessing games, and bazaars make up the midway after which there is a dance for both teen-agers and grown-ups. This year a huge crowd filled the front lawn and thronged all the diversions.



Left: The Mountaineers entertained during the variety show. Among the group are Joella Evans, Jinx Williams, Judy Lawson, Betty Sue McGee, Janie Yeaton, Bonnie Platt, and Ann Kinch.

OF 1954 (cont'd)

Guiding Hand of the show was Director Jim Collins (Upper Right) who is the "father of the direction" of Press Capades. He began his career as Press Capades director in 1953. This year's show has been heralded as his greatest by many critics. Other faculty members who helped were: Miss Harilee Heierman (dance), Mrs. Eloise Rouse (music), and Mr. Leedell Horton (publications director and business manager).

PEP RALLIES

The most successful football season in McCallum High School History was highlighted by many spirited pep rallies during the fall months. The Knights, spurred on to victory by these rallies, finished the season with a No. 6 rating in State AAA classification and lost only one game but failed to

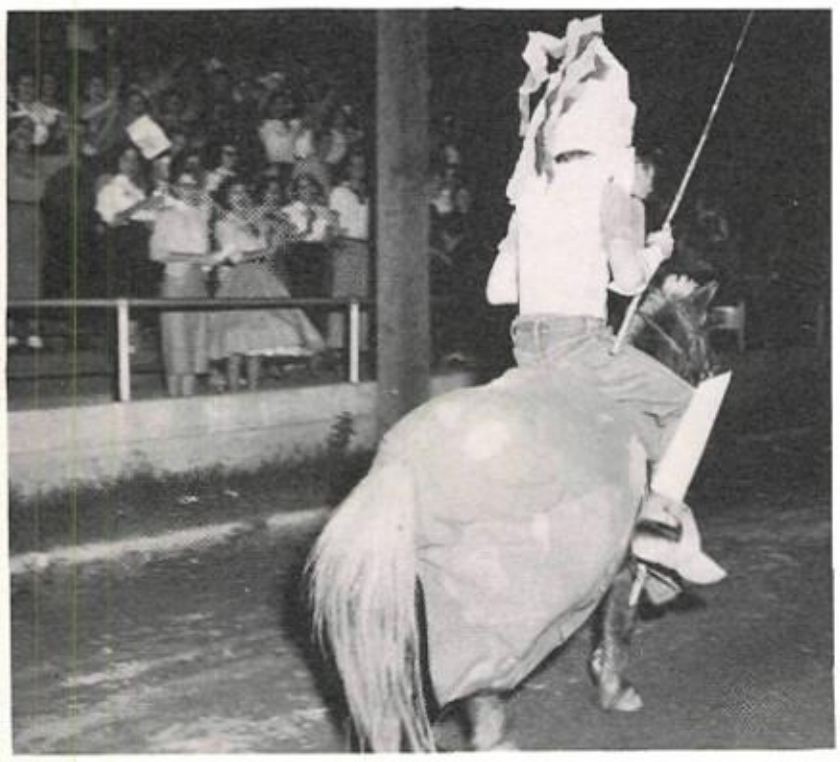
win a flip and the Bi-district play-off. Despite the failure to win the flip, the Knights wound up the season with only the one loss and that came in the fading seconds of the game with the Temple Wildcats.



Right: Jerry Winn and Mike Carmichael proudly crate up the Victory Bell for another year, another win. The Knights came home in possession of the bell this year after winning the Travis game—the victor of which keeps the bell for the following year. Immediately after the Travis win, which gave us a triple tie with Palestine and Temple, the coaches of the tied teams flipped. Coach Kline's flipping ability was found lacking—we lost.

HOOT MON WEEK

In order that our students know each other better Hoot Mon Week was started last year. The friendliest boy and girl are elected from the entire school and are announced during the halftime of the game at the end of the week.

Barbara Fuller, Jay Arnette, and Freddie Morisey look on with applause.

TRAVIS BONFIRE

Our bonfire just missed being premiered several times before the opening nighter. We built the bonfire for the first time on our own school grounds. Several times before the set date the stack was fired and had to be rebuilt again. Each time, however, the willing students threw themselves to the task and rebuilt to the original size. The pep rally lighted by the bonfire, was one of the best in McCallum's history and, as the fire burned down, enthusiastic McCallumites retreated to the cafetorium for a dance in anticipation of the coming victory.

THE BLUE BRIGADE BANQUET

At mid-term, when the Blue Brigade ceases to meet regularly, this active cheering group has a banquet to celebrate the successful end of a "good-job-well-done" for another year.

Above: At the entertainment after the meal Mary Laurel Gray impersonated *Mrs. Steve Brougher, sponsor;* Linda Landrum, Lois Shelton, Verlene Strickland, and Suzanne Boling, the officers.

Right: Mary Beth Taylor, secretary of the Blue Brigade, made a short talk following the dinner, which was held at Casis Restaurant.

Above: Verlene Strickland won the service award, one of the greatest honors a girl can receive, for service "above and beyond the call of duty" during the year.

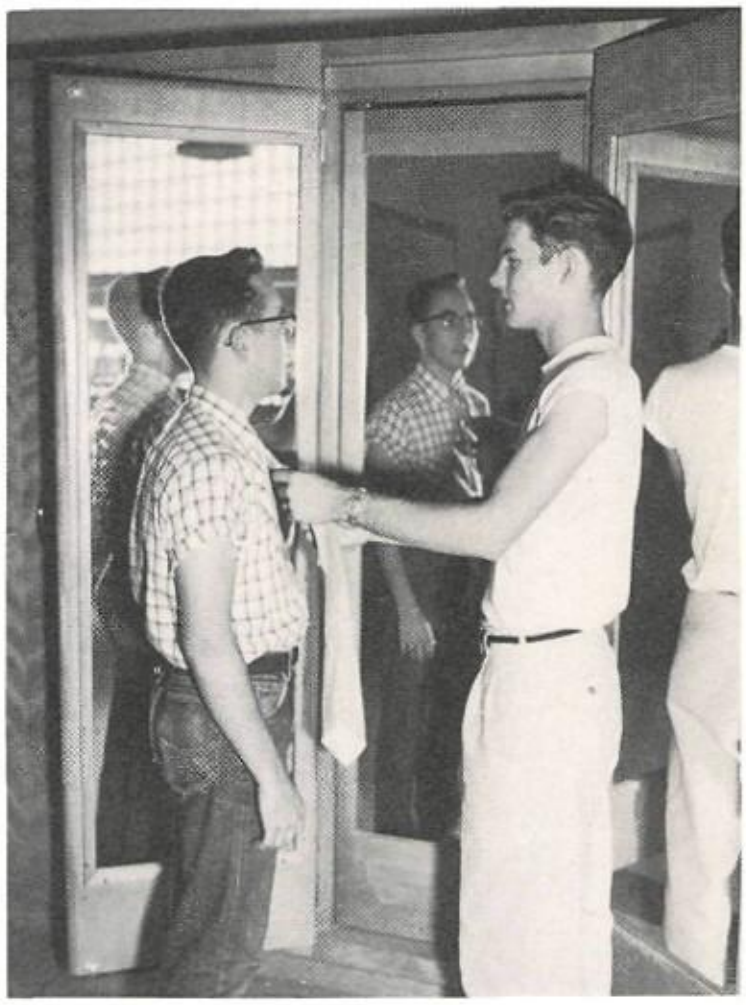
Left: Small-talk preceeded the dinner. Several guests were present, including Robert Falls, who helped the Brigade in their half-time shows, the cheerleaders, and a number of the faculty.

"Watch The Birdie"---

TIE DAY

In the past annual, the underclassmen pictures have shown a marked contrast to the senior class pictures because the underclassmen were dressed more informally. This year "Tie Day" was introduced and as each grade was notified of their particular day for pictures, the boys with white shirts and ties on in the halls were marked as being in a certain grade. The day for their picture became, therefore, a day in honor of that grade.

(Above) Melvin Harrell shows the contrast, and we think improvement, between a white shirt and sport shirt for his eleventh-grade picture.



(Above) Danny Hull and Jerry Winn, seniors, demonstrate the wrong way to dress for tie day as Jerry ties a tie on Danny's plaid sport shirt.

"Life With Father" grew difficult, at times, as the hour grew late, but the time was well spent at the various dances that were held in the McCallum cafetorium. Dances varied from the most casual — in blue jeans — to the most formal. All were well attended, more so than ever before. Both High School and Junior High School dances are shown.

THE SHIELD AT WORK

Financing a newspaper, or any other literary publication, is one of the biggest worries that a jouranlist meets during his career. McNeeleys Service Station helped out the Shield this year by offering the newspaper all of one day's profits if the staff would run the station and wait on customers. The day was a success with $75 profit.

INDUSTRIAL EDUCATION

In this department students learn by doing—and enjoy using their own hands to carry out a project. All phases of industrial arts are offered, from blueprint drawing to auto-mechanics.

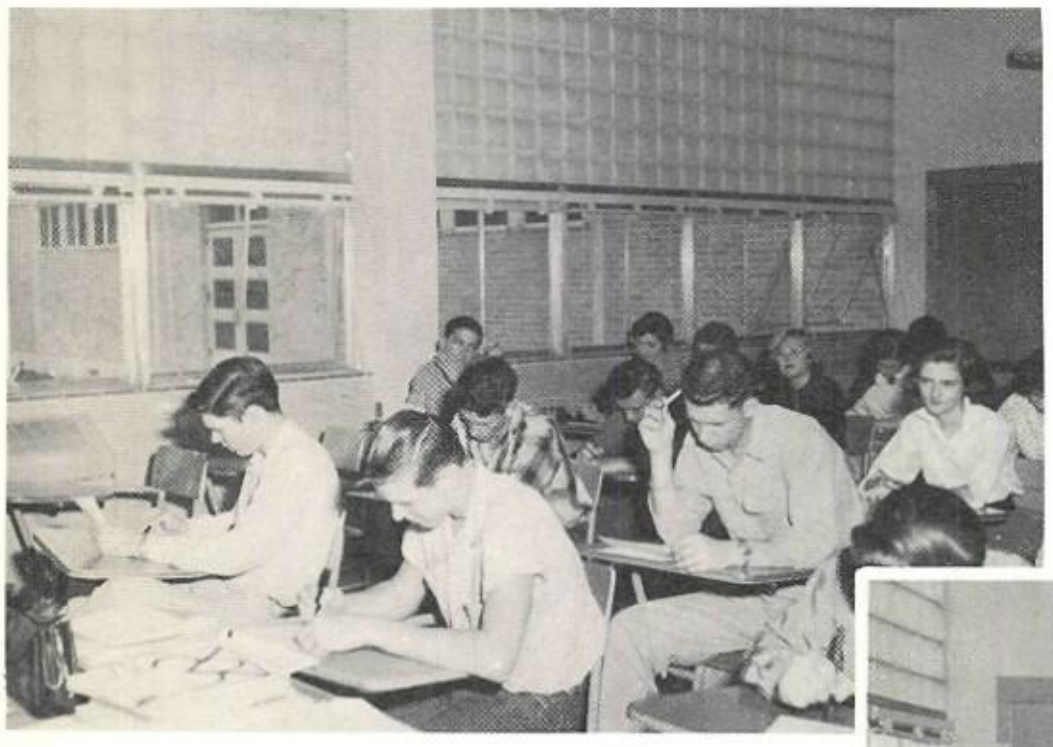
SOCIAL STUDIES DEPARTMENT



Teachers in this department at McCallum are adept at presenting courses like American History, Texas History, Civics, Sociology, and Social Studies—for Junior High students—in the most interesting manner. Only a few of the methods that arouse the classes' interest are illustrated here.

(Above)—In some classes students are given work-sheets that develop independence and give the student a record of studies to keep until test time.

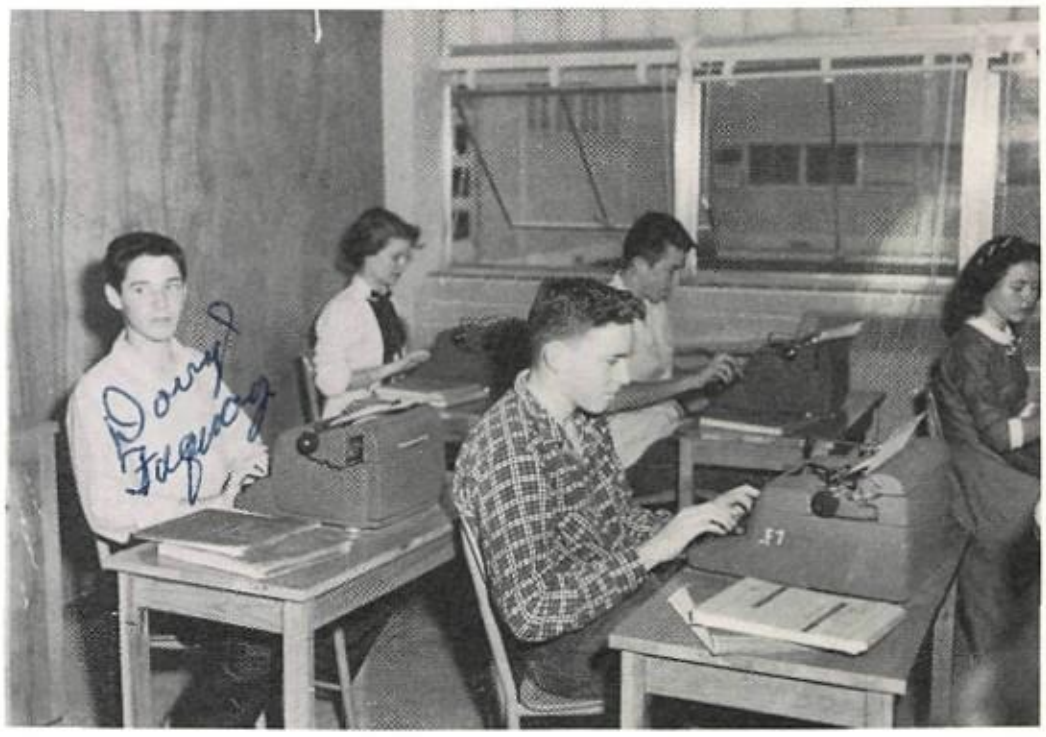
BUSINESS EDUCATION DEPARTMENT

Learning commercial arts can be the making of easier studying for a student. Typing and shorthand not only give a person a background for further Business Administration work in college but enable him to obtain summer work in that field. Advertising and Bookkeeping are among the other beneficial courses offered in this field.



(Above)—Beginning typing students learn by drills on typewriters with blank keys. Accuracy is stressed above speed at first and speed is built up as typing becomes adept.

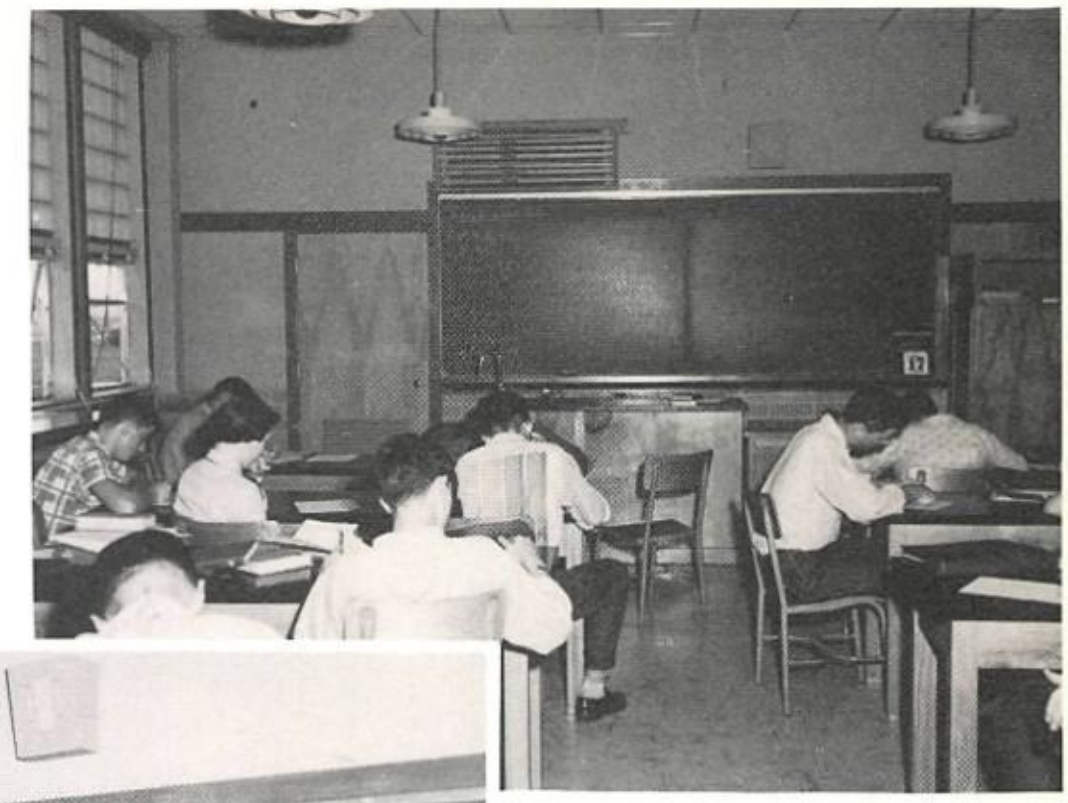
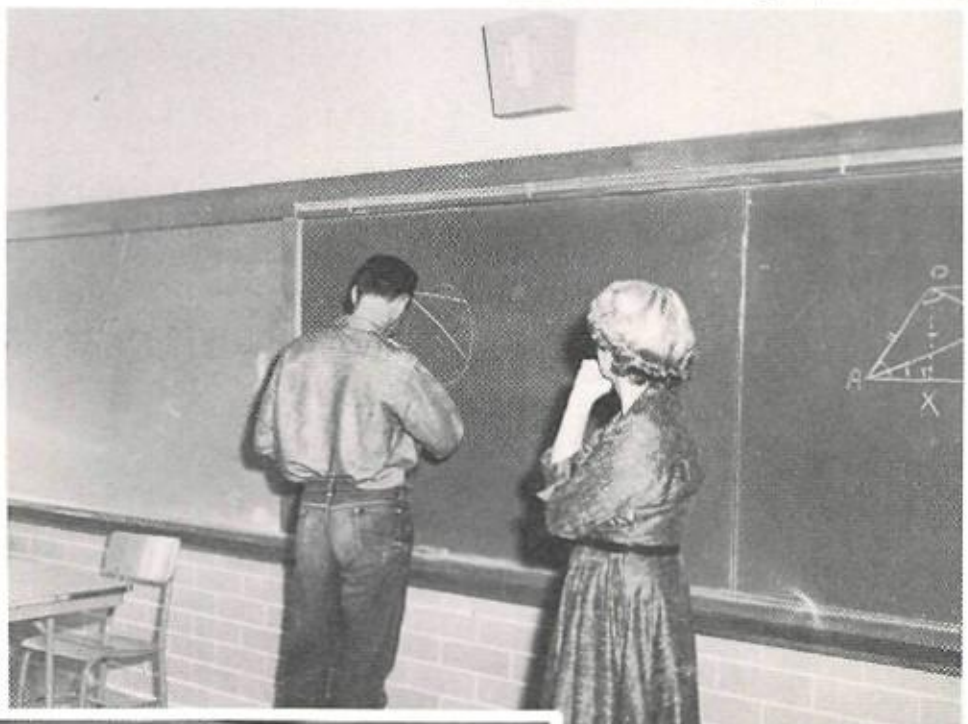
"Cheaper by the Dozen"---

MATH DEPARTMENT

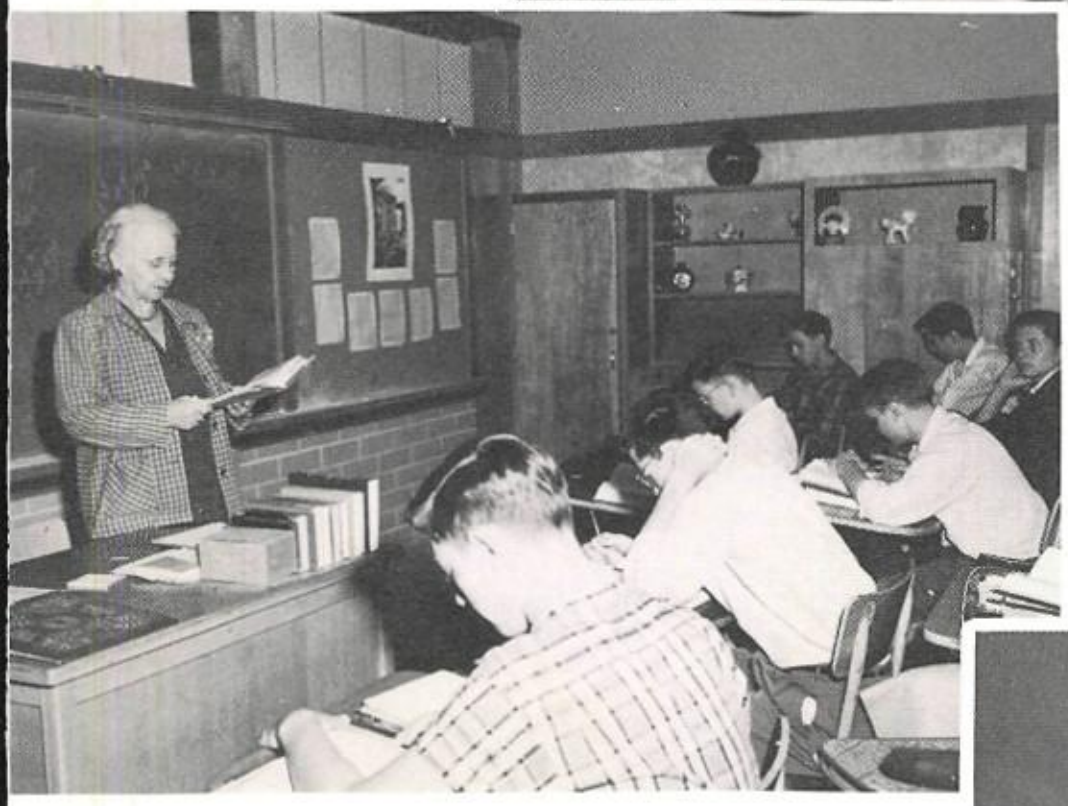
Mathematics seem to improve the analytical thinking of people who are adept in those subjects. Math, Algebra, Plane and Solid Geometry, and Trigonometry are offered at McCallum.



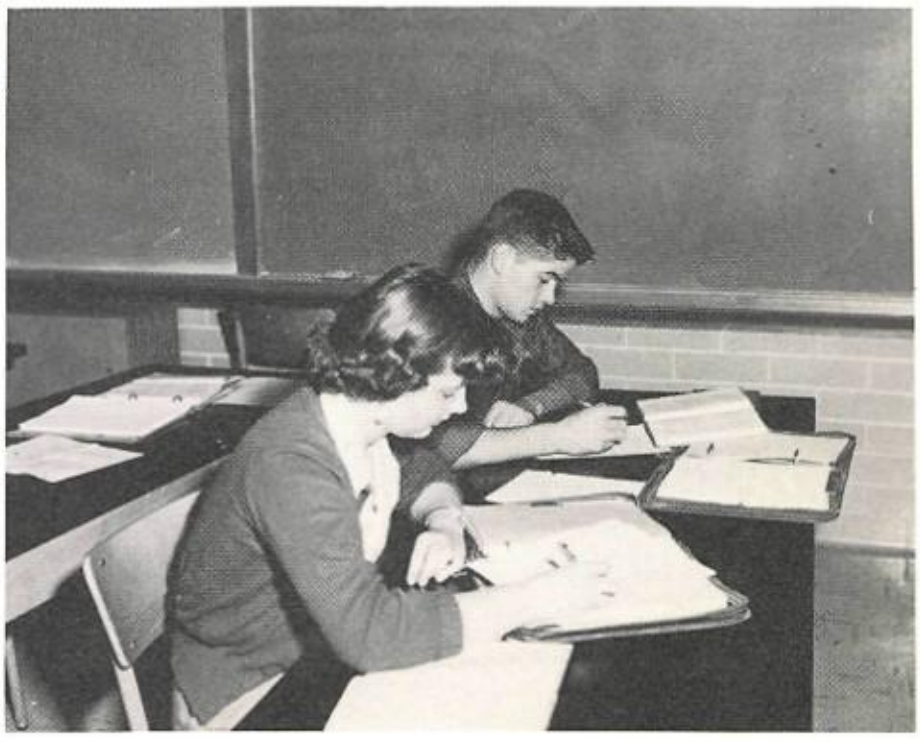


(Above)—Often classes are allowed to do their work during school time.

(Left)—Board work plays an important part in the understanding of math. Larry Nelson figures out a plane geometry problem while Miss Cecily Goff looks on.



(Left)—Mrs. Chiles explains a difficult algebra problem to her tenth grade class.



(Right)—Eugene Hibbler and Bertha Ingram studiously work toward the solution of an algebra problem.

(Above)—Two junior-high girls are studying the task that is found easier if well-understood. Efficiency in all fields is stressed in the home.

"The Egg and I"---

HOME ECONOMICS DEPARTMENT

This subject is more easily applied, for girls, than any other. Sewing, cooking, and many other household arts are thoroughly enjoyed by both girls and boys.

(Right)—Ann Roe, Mary Beth Taylor, and Helen Jones know the advantages of knowing how to sew for one's self.

(Left)—A small group of people is allotted to a kitchen unit. There are 8 units well equipped with stoves, refrigerators, and cabinet space that gives the true experience of cooking in a kitchen.

(Right)—Two girls are preparing a breakfast, one of the meals that the cooking classes are required to plan and prepare. All meals are planned on the basis of nutrition as well as color and variety.

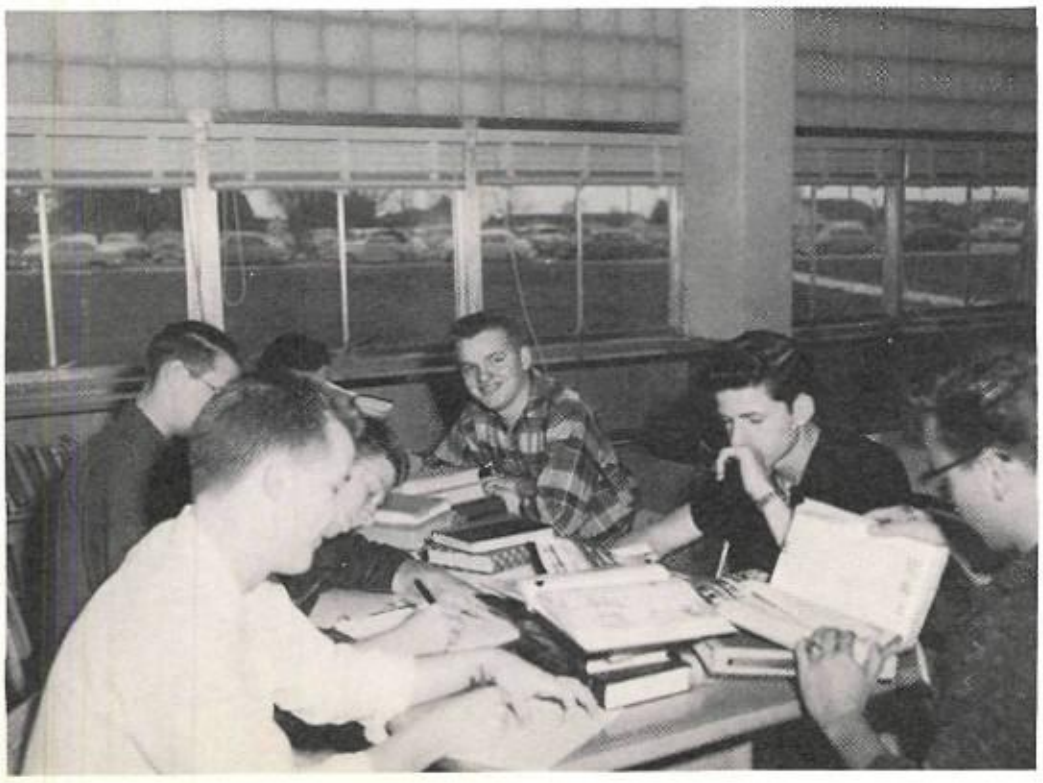
"As You Like It"---

ENGLISH DEPARTMENT

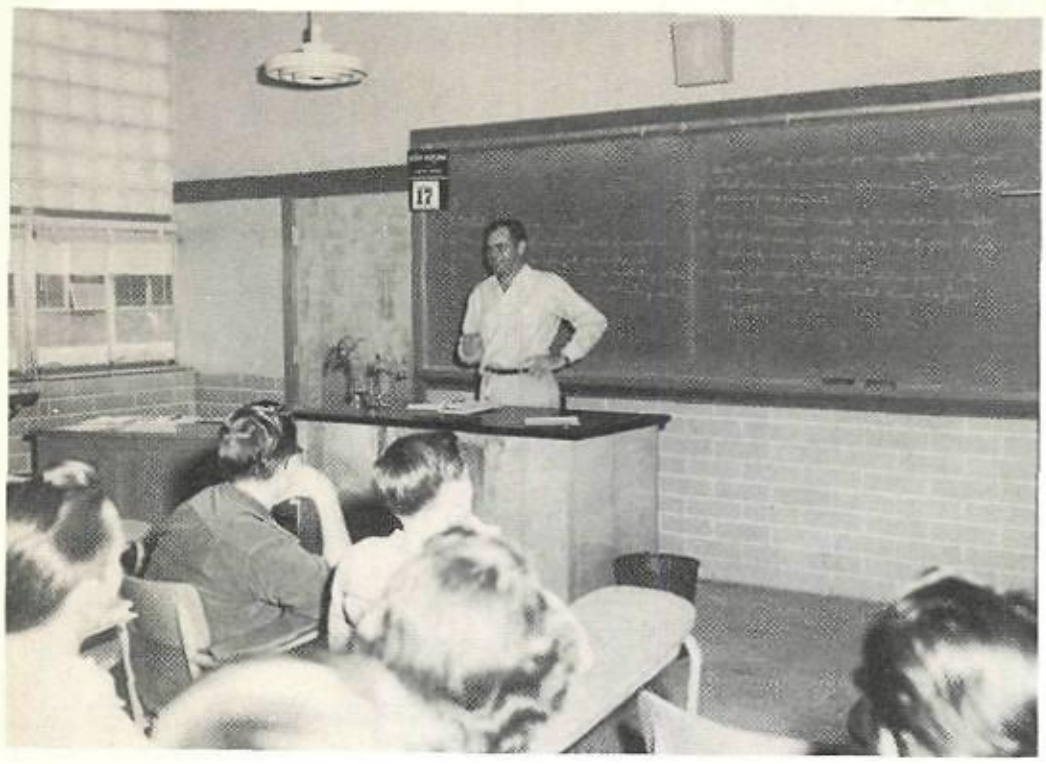
Most essential to a successful life in society for everyone is a good background in English, and other languages. In the high-school grades, grammar and literature are normally alternated to give a well-rounded education in English. Speech must be mentioned in connection with English as a means of learning poise in the use of our language.

(Above)—Mrs. Dawson instructs a ninth grade English Literature class in the advantages of an appreciation of the classics.
(Below)—Helen Plummer takes dictation from her teacher in German as a means of learning and teaching the class.

(Above)—Colleen Mathews, Hiram Miller, and Jimmy Doherty, the Speech II class, discuss the current project with Mr. Bizzell.



(Left)—The library, with its stock of quickly circulating books, cannot be emphasized too much in its value for the work of many courses.



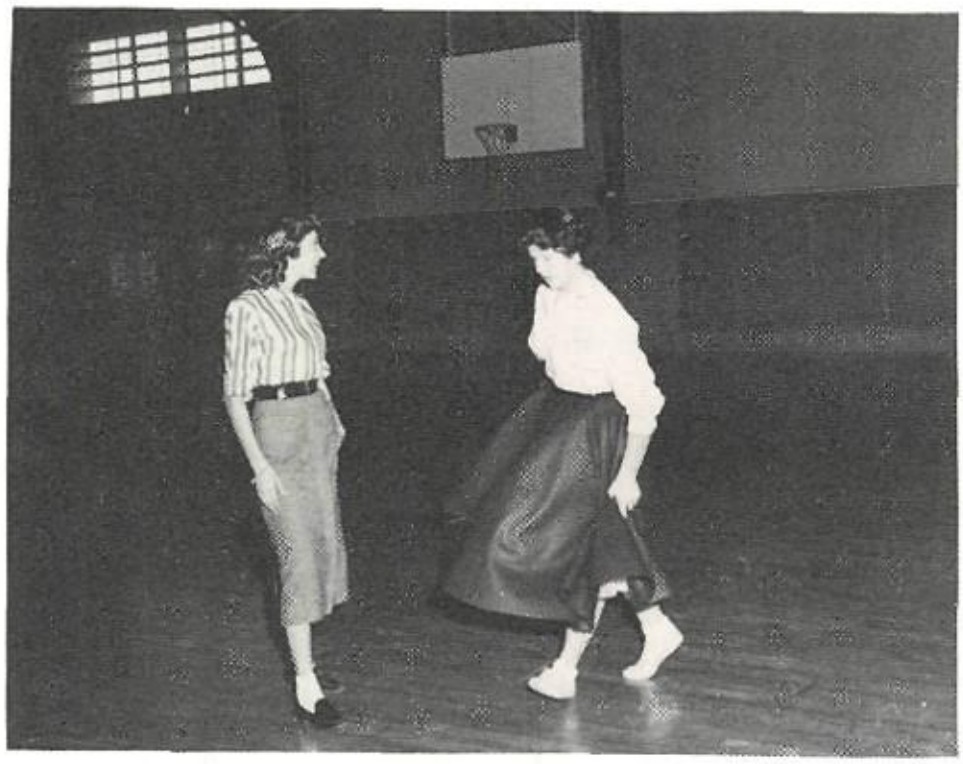
(Above)–Mr. Charlie Munson instructs a class in Health, a required eleventh grade subject which gives a basic knowledge of the body functions and emergency first aid.

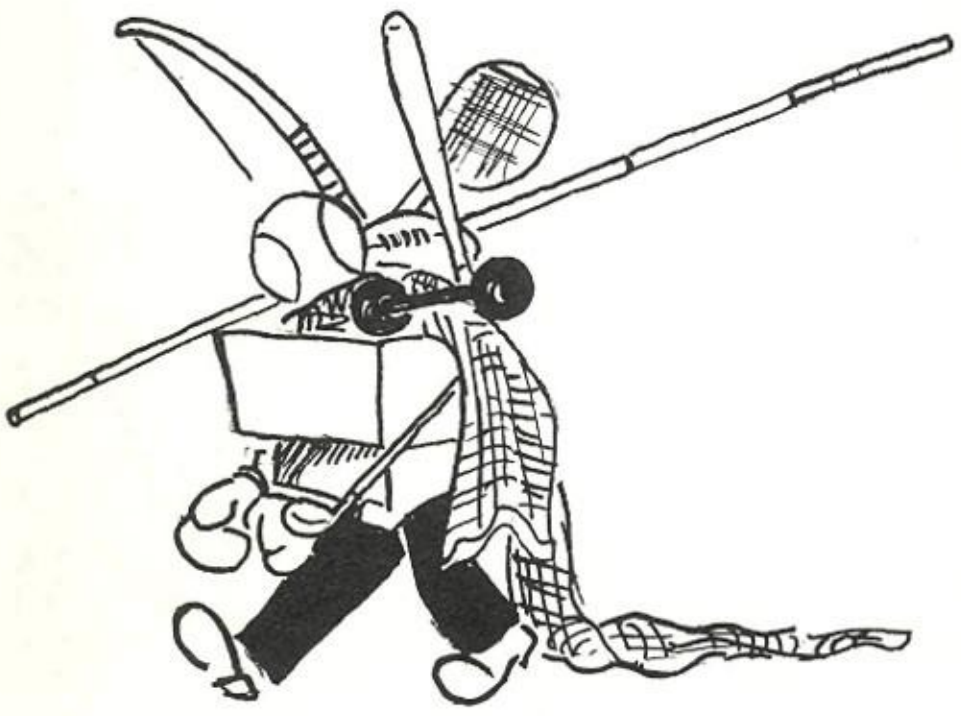
"The Gladiator"---

HEALTH AND PHYSICAL EDUCATION DEPARTMENT

Academic courses are important, but Physical Education courses are necessary, too, for physical fitness and health. Often, a success in P.E. courses parallels an aptitude for courses that require a different type of effort.

(Right)—Prominent among the various phases of P.E. is Ballroom Dancing. Here Dorothy Hyde and Margaret Barker "cut a rug."





(Above)—Mr. Desmond Kidd instructs his students on the proper steps in this folk dance.

"Moulin Rouge"---

ART DEPARTMENT

Students in the Art department learn the value of the various mediums available to classes, and the use of them. Everyone has an artistic streak to be expressed in some way, and each student finds his talent for clay modeling, still lifes, charcoal, or one of the other mediums available.

(Right)—A group of art students try their hand at sculpturing in plaster-of-paris.

(Left)—Abstractions express a great deal in feeling and color to the observer as well as the artist. A Junior-High class begins this study here.

(Above)—Some classes are a mixture of beginning Art students and advanced Art students, who work well together in various units of study.

(Below)—Advanced Art students are using a combination of ink and water-colors.

MUSIC DEPARTMENT

One of the most active departments at McCallum is the Music Department. The Band, under the direction of Mr. Frank Phillips, has brought to the school many honors in the line of musical ability as a group and individually. The Mixed Choir, under the direction of Mr. T. H. Worthington, has sung for many school activities and also participated in several civic affairs. Perhaps less known—but none the less important—is the orchestra of McCallum. Also directed by Mr. Phillips, this organization has performed for the PTA and various other activities.

(Left)—The string section goes over a difficult part in their practice music.

(Right)—Mr. Worthington directs his choral group through a new song.

Supporting the Junior High activities at all times are members of the Scottie Band, shown here practicing.

"Deadline U.S.A."---

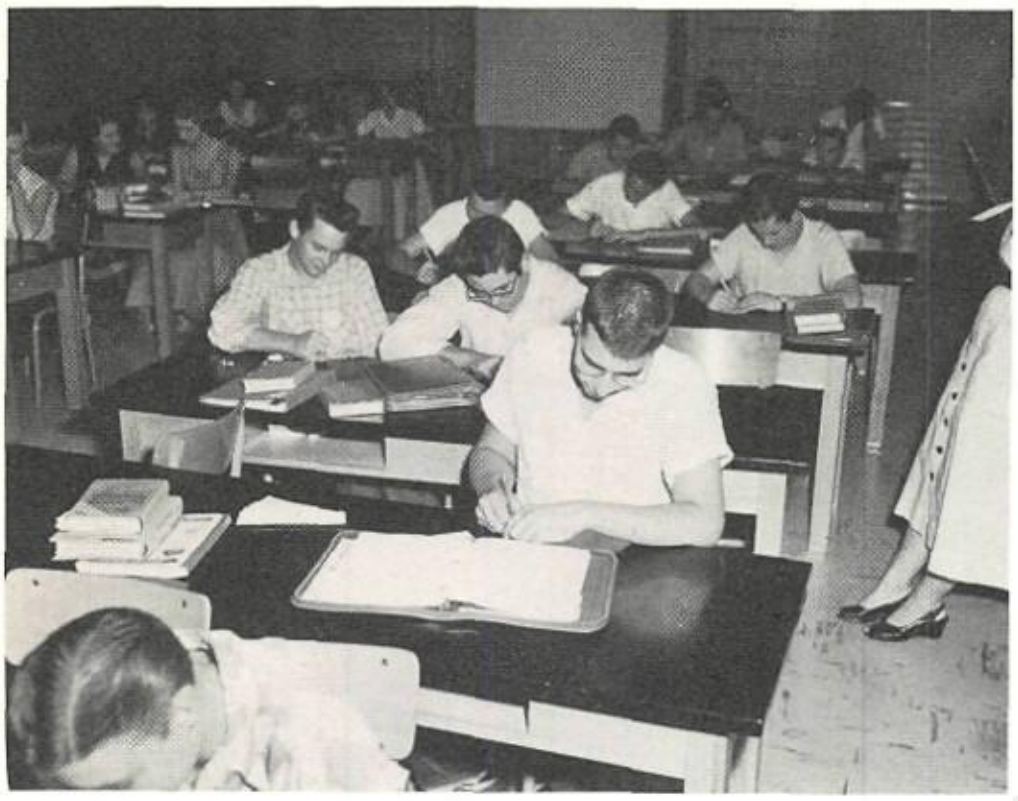
PUBLICATION BANQUET

At least once a year, the two divisions of the publications department join each other in a banquet to enjoy a fine meal along with discussion of the Shield and the Knight. Skits by each staff satirizing the other furnish the entertainment for the group of students, teachers, and parents.

(Above)—Barbara Fuller presents Sports Editor Johnny Combs a certificate for the best sports page make-up of the year.

(Above)—Glenn Johnson, co-assistant editor of "The McCallum Shield," announces the new members of next year's staff.

(Above)—*The McCallum student publications members and guests enjoy a pleasurable evening of dinner and entertainment.*



(Above)—Classes began and work started as Don Mills, Bobby McDuff, and Don Maxwell open their books for the first time of the season.

(Above)—After election results for Student Council President were announced, runner-up Herbie Wilson congratulated Robert Shelby—*the 1954-55 president of the council.*

(Right)—Students James Cantwell, Deanna Cook, Colleen Matthews, Benita Lee, and Ann Kinch stuff envelopes with T.B. seals for a project that the Student Council took on.

"The Men"--

BERNADINE

This play, a Junior-High Production, concerns the problems of boys in their gangs and out of them, with girls, and growing up.

(Right)—The group meets in the back room of the Shamrock to discuss mutual interests and drink cokes. Terry Pratt, Lee Thomas, Harry Akin, Johnny West, Karl Wagner, John Giesecke, Peggy Randolph, Pat Clark, and Bruce Baumel are shown.

(Below)—A few of the "gang" are served in the hangout by Peggy Randolph, the waitress.

(Above)—Harry Akin, Pat Clark and Terry Pratt try to get a date for Lee Thomas (sitting).

(Left)—Arguments come and go with ease among teen-agers as Bruce Baumel and Johnny West argue with John Giesecke and Harry Akin.

"The Actress"---

TIME OUT FOR GINGER

This amusing production concerned a girl who showed her ability at football and confused many people in the process. The result was an evening of good entertainment for all who attended.

Above: Three teen-agers involved with Ginger's problems are Herbie Wilson, JoElla Evans, and Jerry Smith.

Above: Ginger (Margaret Tampke) is confronted with her sins by her father and mother, Robert Shelby and Annett Maples.

Right: Ginger gets the works from her school principal and her father's boss, Harvey Hogue and Ray Akin.

1955 KNIGHT STAFF

Combining work and fun, the 1955 Annual Staff rounded out the year a little earlier in the season than usual. Producing the 1955 yearbook was challenging as well as enlightening. There were moments of joy, surprise, sadness, elation annd even moments of breathless wonder as the book was rounded out under the capable leadership of the department heads and Editors Frank and Fisk. The theme of the yearbook and the dedication were some of the most precious secrets for the staff this year. Members who produced the book are shown within these two pages.

The Junior High Student Council had a busy year. Among other activities, they held a White Christmas Dance in order to help those less fortunate than themselves. For the admission, besides buying the tickets, presents of canned goods, toys, and clothing were required. The money was given to the Foundation for Mentally Retarded children, and the presents were given to "needy" families. The council has also collected funds for the Red Cross and Polio Drive. Delegates have attended the Southern and State Associations of Student Councils. May 9-13th was dedicated to "Know Your Council Week." During this week a Friendliest Boy and Girl Contest was held; Friendship Books were sold; a faculty party was given; an assembly program was given; the council acted as host school for the All-City Council, and a formal dance was given presenting the Friendliest. Miss Heierman was sponsor.

The Student Council of McCallum is the strongest form of democracy in our school. This o ganization is composed of the leaders of our school, capable of governing the student bod These students are chosen in the individual advisories by their classmates. This group, spo sored by the very well liked Miss Martha Agnor, plans the agenda for the year, which consis of social activities and worthwhile projects.

Some of the activities sponsored by this group were: the Western Dance, the After-Gan dance for Austin High, the March of Dimes Drive, Beat Travis Week, and Hoot Mon We during which the Friendliest Boy and Girl were presented. The Student Council also spo sored the Annual Coronation Ball, sent delegates to the Texas Association of Student Cou cils meeting in Denton, set up $100 scholarships for one girl and boy from each graduati class, opened a study hall kept by council members each morning before school, and encou aged school spirit.

The McCallum Band is a well known sight on football fields in Austin as well as in surrounding towns. They have played at all the games, backed the Blue Brigade's yells, and turned in excellent marching exhibitions. They have also performed at various assemblies and pep rallies. The members of the Knight band have won state recognition for their instrumental ability.

Besides participating in school activities, the band marched in the United Fund Parade. They also were hosts on Texas Band Day and led the halftime ceremonies at the football game. In March the band journeyed to Conroe, Texas, for an invitational contest. They were awarded a plaque and given a "good" criticism rating. Mr. Frank Phillips, the band director, has established and maintained a high standard for his band. He is the backbone of the band and without his hard work the band could not hold as many honors.

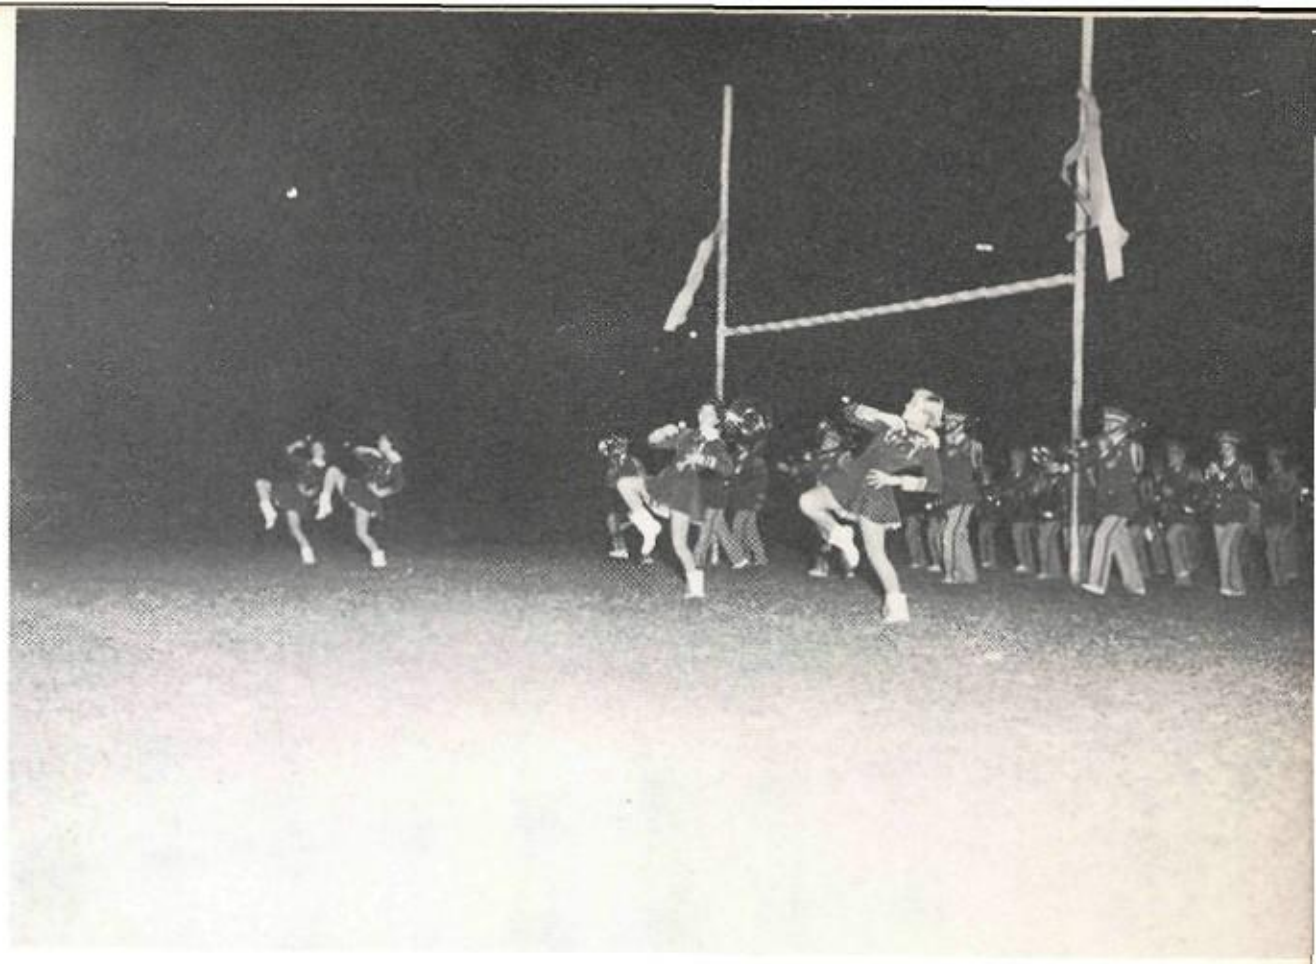
This year's majorettes worked with the band helping to add a finished touch to the halftime shows. They are (l. to r.) Kathy Werner, Judy Lawson, and Zoe Ann Derden.

Head Drum Major Herby Wilson and his assistant Bordell Holt spent many long hours in cooperation with the Blue Brigade planning entertaining and original halftime shows for the football season. They alternated leading the band in these shows and various parades.



The McCallum Band marches on to the field to perform during the halftime of the Seguin football game.

Mrs. Frances Brougher, sponsor of the Blue Brigade, devotes many hours of her time guiding and directing this organization. To her the group owes its success.

BLUE BRIGADE

As President of the Blue Brigade, Yovene Yeaton, has the responsibility of executing the football half time shows and being "boss-man" in general.

Now in its second year of existence, the Blue Brigade of McCallum High School is well known to the people of Austin and those of surrounding towns. Always willing to be of service to their school and community, this peppy group participated in the United Fund Parade, the March of Dimes Drive, and the V. F. W. Poppy Sale. Loyal supporters of the McCallum teams, the B.B.'s braved alternately hot and cold weather to cheer them on to victory.

Annette Maples, Sgt.-at-Arms, has the big job of keeping order in this group of girls.

Highlighting the holiday season was the Blue Brigade's annual Christmas Formal. Held in the cafetorium on December 19th, Brigaders, their dates, and students from McCallum and other high schools danced in a "Winter Wonderland" to the music of Claude Brazil and his orchestra. Other social activities included a coke party honoring the new members and a picnic in the spring announcing next year's officers.

Mary Beth Taylor, the Secretary of the Blue Brigade, keeps the records and checks roll for this organization.

Working on the Blue Brigade scrapbook is Sue Gideon, the Vice-President. She works with the various committees, planning the year's activities.

At right is Lanette Ryden, the Treasurer. She takes care of all the business transactions and money matters of the Brigade.

In its second year, the McCallum Junior-Senior High School Orchestra has gained more experience and has progressed under the capable leadership of Mr. Frank Phillips. They have performed for the Kiwanis Club of North Austin, and the P. T. A. of McCallum. They will play for any civic organization that requests them to do so. This study group has a special class in which they practice and develop their talents. For mid-term graduation an All-City Band was chosen to play. Various members were chosen for this honor. JUNIOR RED CROSS

The purpose of this organization is to bridge the gap between or tie in our school with people in need, both foreign and here. Some of the activities this organization has participated in are: preparing gift boxes for children abroad in disaster areas, sending Christmas decorations through the art department for the children in hospitals, and making candy and Christmas decorations to cheer up servicemen in surrounding hospitals.

NATIONAL HONOR SOCIETY

Sponsored by Miss Helen Boysen, the N. H. S. in its second year had a total of thirteen members. Approximately forty more members were added at the end of the year. Membership for this organization is based upon scholastic ability, leadership, character, and service to the school. This year the N. H. S. spent many hours coaching students who were behind in their school work.

To become a candidate for N. H. S., a Junior must have a ninety average, and a senior must have an eighty-five average. Then the candidates are submitted to the faculty members for selection.

In its second year, the McCallum Choir grew in numbers and in choral proficiency. Among the high points of the year for the choir was the Texas-Texas A. and M. game on Thanksgiving where the McCallum and Travis Choirs sang with the Longhorn Band at half-time. Also, the choir journeyed to Conroe to participate in a choral festival in March.

Activities of the choir include selling candy to further funds, singing in assemblies for McCallum student-body and faculty, singing for organization and clubs throughout Austin, and participating in the tri-high school concert at the University of Texas in February.

CIHU Y-TEENS

The purpose of this organization is to bring together a group of girls with strong ideals and moral values. They come in contact with many different types of people, learn about them and try to help them in any way they can. Thus, they are a Christian organization with an aim toward bettering themselves, their community and their nation.

Sponsored by Mrs. Sam Kinch they gave a Christmas Caroling party for mentally retarded children and made cookies and dyed Easter eggs for an Easter egg hunt for these children. They worked toward going to Camp Warnekee.

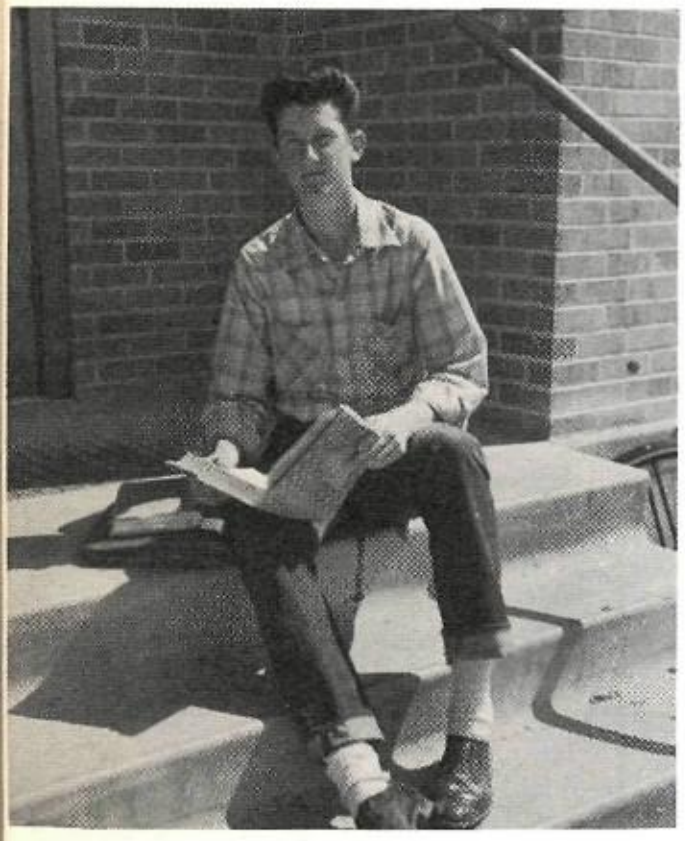
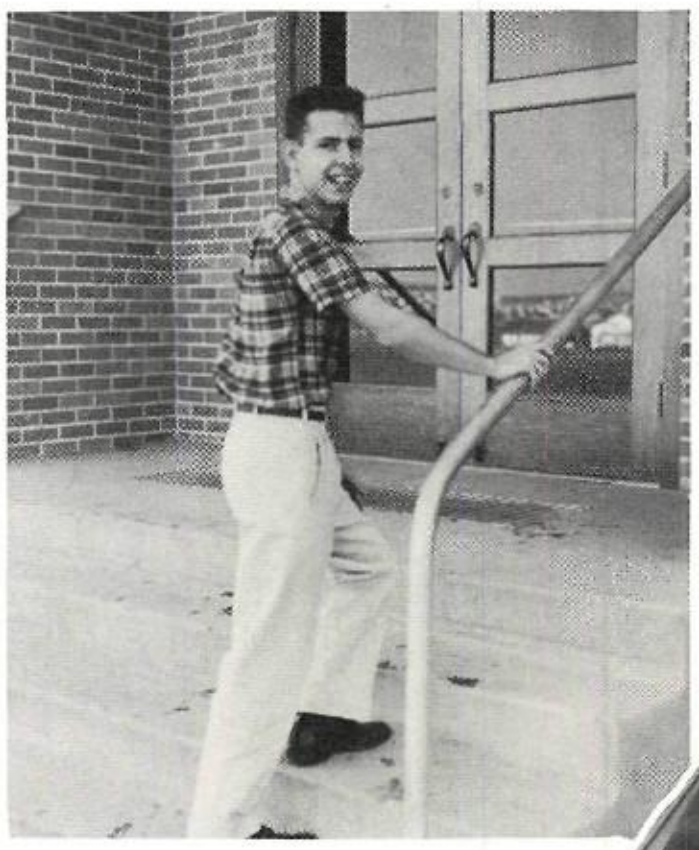
WHO'S



Best known for his prowess in basketball and baseball, Jay Arnette is admired for his all-around friendliness and scholastic record. His many honors and activities (aside from those mentioned above) include Junior member of the Coronation Court and a reputation for being an all-around good guy.

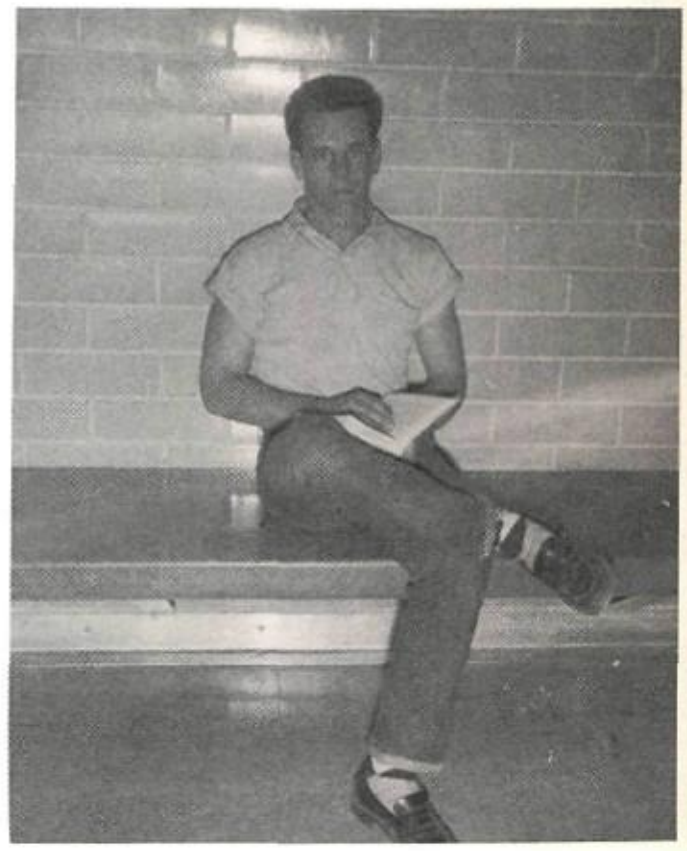


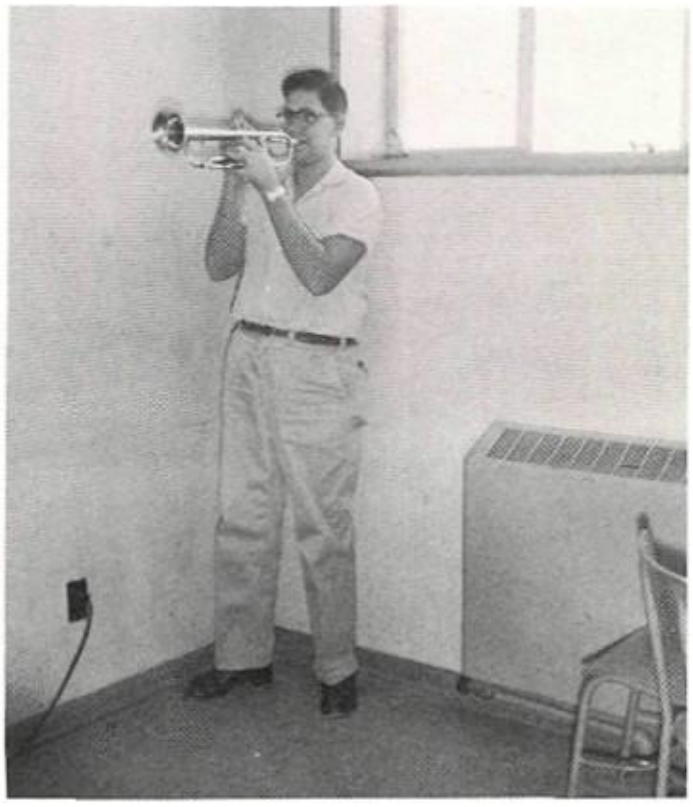
The voice of this 11th grader, Robert Falls, is familiar to the ears of all McCallumites as he is No. 1 half-time announcer for the Band and Blue Brigade. Robert is outstanding in the field of oral expression, copping first place in interscholastic league competition. Students such as Robert are truly an asset to our school.

Although the Air Force interfered with picture taking of Mack Gafford and caused the shot at the right to be used in this section, he did a splendid job before he left for the service in January of this year. Commonly known as one of the most willing and cooperative workers in McCallum High School, Mack spent many diligent hours working on the McCallum Publications and served on the Student Council during his 12B year. He was active in almost all phases of the school activity program and was always willing to lend a helping hand for fellow students and faculty members.

WHO

The Student Council's right hand man—David Bradshaw. Active in this organization as well as football and baseball, David is a busy McCallumite. His friendly and courteous manner, added to his many accomplishments, are certainly good reason why he makes his appearance in this section for the second year.

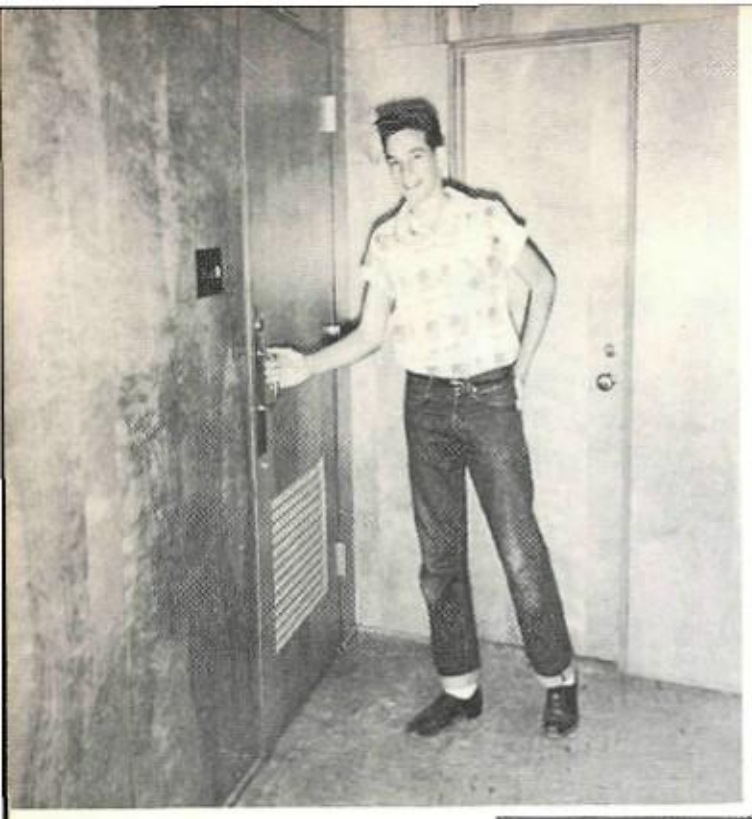




Always ready with a crazy joke or friendly smile is Dwight Henderson. Dwight is a member of the McCallum Band, Royal Court Players and Debate Team. In these fields he has won several honors for the school. He is truly deserving of a place in this year's Who's Who.

Marie Payne, a hard worker in any job she undertakes, has gone to All-State in both Band and Orchestra, playing first chair flute in each. Aside from her diligent practicing, she devotes much of her time to the National Honor Society and All-City orchestra. Her membership in NHS indicates that, despite her many music activities, her studies do not suffer.

WHO'S WHO-Continued



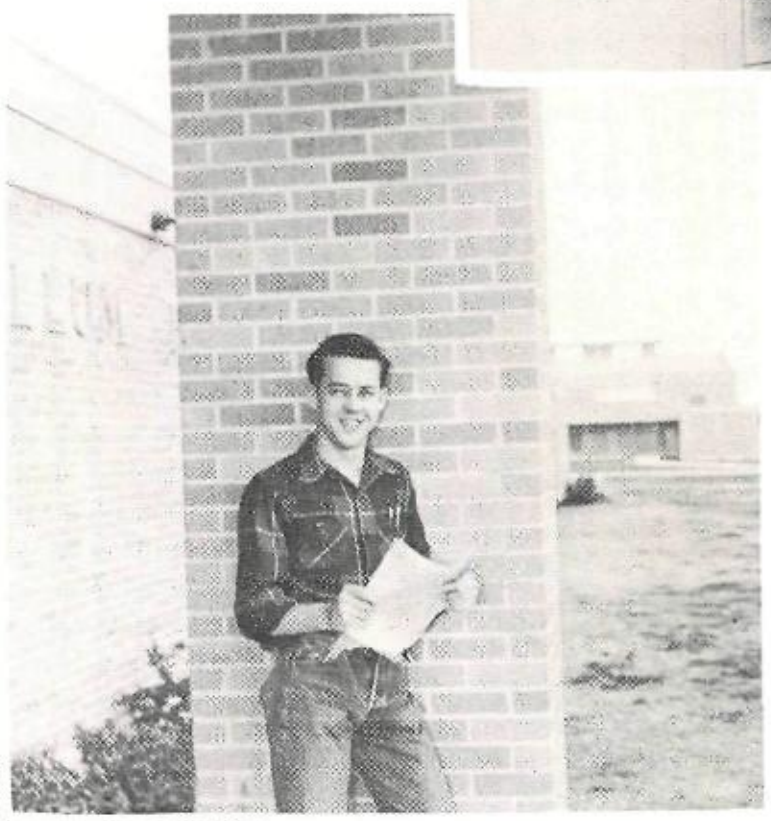
A ninth grade student and a leader in junior high activities, Charles Betts is a well known name in athletics. He has lettered both in football and basketball and is a member of the Works and Projects of the Student Council. Charles was ninth grade class favorite and participated in the Interscholastic League play "Bernadine" and the Beauty Revue. His interest, enthusiasm, and loyalty to McCallum Junior High School is boundless.

A Star is on the McCallum High School horizon in the person of Jo Eickman. A transfer from Pasadena in Houston, Jo has brought many honors to McCallum High School in her one short year within our ranks. A brilliant student, she won state recognition in journalism this year and was very active in other high school activities. She represented MHS in the state ILPC (journalism) meet and carried the blue and gray banners to glory in the one-act play contest. She has a brilliant future in store for her coming two years in MHS.

Quietly going about his work, Frank Weise has added a lot to McCallum High School. He has repeatedly won honors for himself both as a class favorite and leadership positions on all school organizations. A star football player, Weise has been outstanding in the FFA Chapter and was always ready to lend a helping hand when needed.

Probably no individual can take more credit for the success of McCallum High School than Barbara Fuller. Her guidance and leadership on the McCallum Shield led a green staff to state and national honors for two consecutive years. Her devotion to duty and to MHS was shown in the confidence vote of students who repeatedly sent her as their representative to the Student Council. Her outstanding work also won for her the presidency of the Knight Band and other student leadership positions. She has truly been one of the most outstanding students in MHS and deserves her second straight return to the WHO's WHO position.

Annette Maples possesses the happy faculty of being able to move quietly but assuredly toward predetermined goals, thus giving to the total school program a definite form. She has participated in both Press Capades and the Beauty Revue as costume designer and dancer and is in the Interscholastic League One Act Play. Annette is working toward her State Degree in Homemaking.



Whether it's leading the band or a group of his fellow students in a discussion, Herbie Wilson exhibits all the attributes of a real leader and citizen. Herbie has led the band through their maneuvers as drum major and the senior class as president. He played the lead in Press Capades and the Interscholastic League Play.

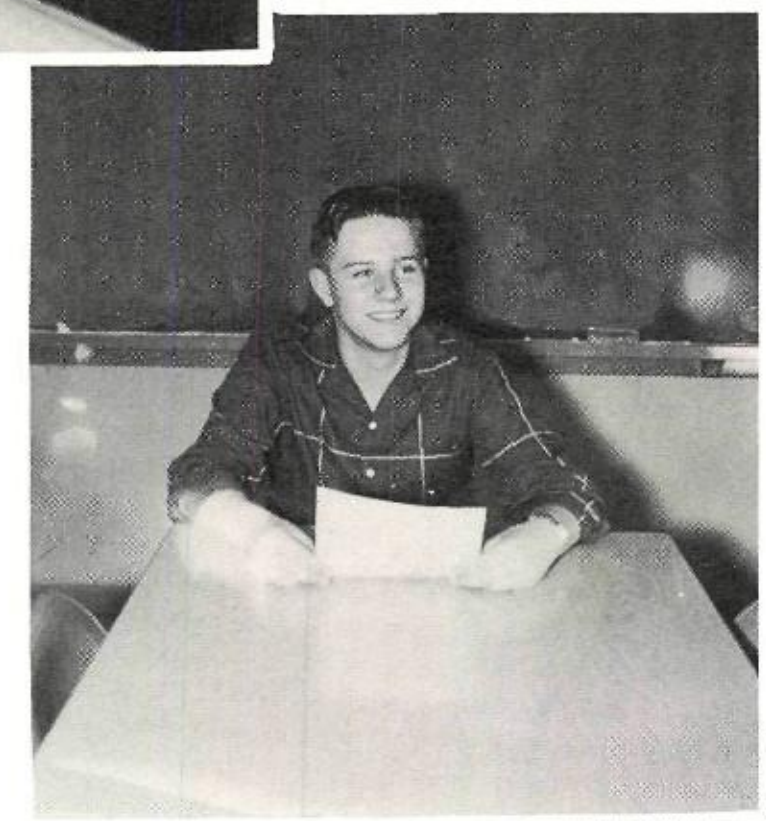
Patti Moore is an intelligent and talented young lady. She has won herself a name as a member of the adagio team in Press Capades and Beauty Revue. Last year she won third place in district competition in the Ready Writing Contest. She is a member of the Blue Brigade and Historian of the National Honor Society. She is also a member of the Royal Court Players. Patti has poise and is energetic and dependable. These qualities as well as many others have made her an outstanding personality.

Margaret Tampke, the little lady with the stars in her eyes and a song in her heart, has been captivating audiences since the seventh grade. She did a splendid job as the lead in Press Capades and Beauty Revue. She went to Interscholastic League in the One Act Play and is Sgt-at-Arms of the Royal Court Players.

WHO'S WHO-Continued

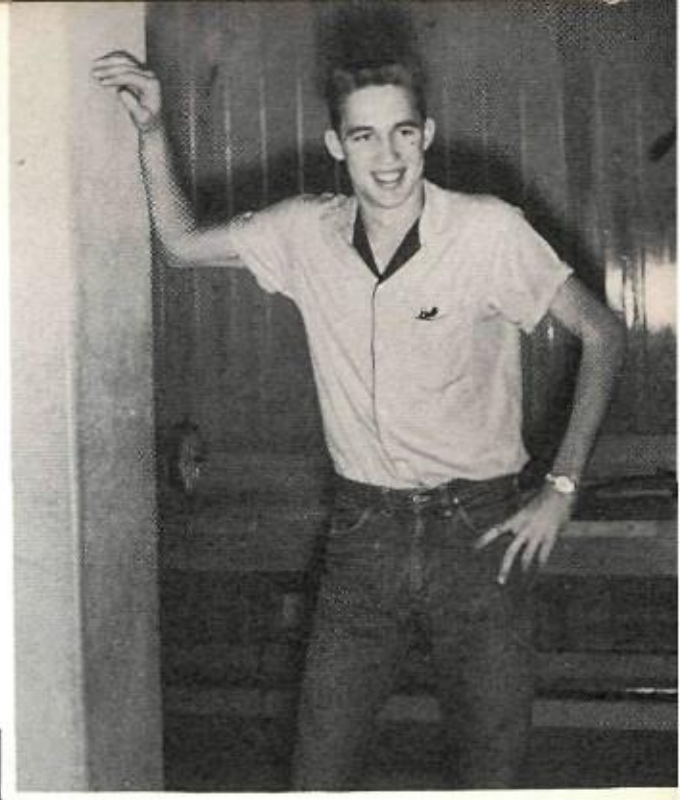
Mary Beth Taylor, a newcomer to Who's Who, demonstrates her cheery smile for the photographer as she puts up a poster for the Blue Brigade. Mary Beth has worked diligently all year as Secretary of this organization and has done the job well. Her many activities also include presidency of the Future Teachers of America and membership in the National Honor Society.

Always ready and willing to be of service is Yovene Yeaton, president of the Blue Brigade. Yovene is always among the first to support her school in its activities. She skillfully led the Blue Brigade through all of its half-time maneuvers during football season. She is also active in the Mixed Choir.



Leon Graham has won himself a place in Who's Who due to his leadership qualities. A ninth grade student, he has thrown himself into numerous school activities with enthusiasm. He is a member of the Jr. High Student Council, holding the office of Corresponding Secretary, and this year he represented the school at the Texas Association of Student Councils Convention in Denton. Aside from participation in the above activities, he has participated in Press Capades and the Beauty Revue and was a crew member of "Time Out For Ginger." He was a member of the Knight band.

Felicity Frank soars into the Who's Who column this year with a good record of loyalty, dependability and service that is overshadowed only by her good record as a leader. A member of the McCallum High School Blue Brigade and outstanding in other fields, she has led the Knight Annual Staff to honorable state rankings for two years in a row. She caps her career in the school publications office this year with the production of this annual. She will be greatly missed from the halls of McCallum High School next year.



Students, teachers and Knight followers from all over will always remember Jay Hawley for his quiet, unassuming and industrious attitude in school. An All-Stater in both football and basketball, Jay has brought home many laurels for himself and for his school. He is a leader and has been active outside the field of athletics as well as inside. He will always be remembered as one of McCallum's immortals especially in the field of sports.

Making her second appearance in Who's Who is Barbara Rouse. A loyal McCallum supporter, Barbara is a member of the Blue Brigade and was given the DAR Good Citizen Award this year. She also represented McCallum High School at the Golden Gloves Boxing tournament this year as a "Golden Girl" and was a nominee for Coronation Ball Queen this year. She is truly a great leader in all aspects of school life.

You name it, Colleen Mathews can do it. Known as the outstanding girl with all the willingness and ability in the world Colleen has gone far with her honors this year. She has been outstanding in the Student Council work and turned in very capable leadership as Managing Editor of the McCallum Shield which brought home All-American Honors this year. All McCallum will have a vacancy to fill when graduation takes "Mathews" from our ranks next year.

Everybody knows "Shelby." His scholastic achievement, his quiet reserve, his dependability and efficiency have made him a leader in our school who will be very hard to replace. Active in varsity tennis, dramatics, and Student Council work, Shelby has proven himself to be one of the "greatest." Just name an outstanding achievement and Shelby has probably attained something close to it, at least. His unassuming ways and good record won a place for him in McCallum's list of outstanding citizens.

Second Half Comeback Gain Knights 19-0 Win

Alertness paid off Friday night, October 8, at House Park as the Austin Maroons tumbled 19-0 before a stunning second half offensive show staged by the McCallum Knights.

Frank Wiese showed the way for the Knights on offense and defense. Frank gained 120 yards of McCallum's 245 net yards rushing. On defense he intercepted 2 Maroon passes and did well on plays in the Knight's secondary.

Ronald Green's snatch of a loose ball in the Maroon backfield and racing 55 yards for a touchdown was the turning point. After this one bobble on the part of the Maroons the Knights took complete charge of the game. The very next time they gained possession of the ball, Frank Weise traveled 63 yards for the Knights' secon touchdown. Jimmy Schiller score the third Knight touchdown on 5 yard plunge. David Bradshav made good his try for extra poin after the first touchdown, but faile his last attempt and his secon attempt was nullified by a bad pas from center.

McCallum led in first downs 1 to 10, and in yards passing 40 t 23 yards!

The Knights were bottled up i the first half, of play by the fin defensive play of Stanley Roper Harold Henderson, and John Bab cock. Although held scoreless th first half, beautiful downfield block ing the second half paid off with touchdown to break the game wid open. Once ahead, the powerfu Knights were never headed by th still winless Austin Maroons.

Temple Pair Sparkles; Knight Team Defeated

Tom Jenkins teamed with Don Davis to knock the props from under the McCallum Knights Friday night, Oct. 22, at House Park to reel the Knights down to defeat by a 19-13 count.

With 22 seconds remaining on the scoreboard clock, Jenkins looped a soft pass toward Bobby Cartwright in the end zone. The defender deflected the ball into the air, and down it came in Cartwright's arms for the deciding touchdown.

McCallum gained pay dirt first when a Dick Maxwell pass was completed to Jay Hawley standing on the goal line. The play covered 25 yards with Hawley taking the ball away from three defenders.

Temple struck early in the second period for their initial touchdown with Don Davis carrying over from the 4-yard line. Cartwright's try for extra point was good.

Tom Jenkins faked the entire Knight team completely out of position and traveled 16 yards to pay dirt and a 13-6 Wildcat lead.

Jenkins and Davis combined their efforts on the ground for 201 yards of the Wildcats 253 net yards gained.

Temple led in first downs 17 to 11, net yards rushing 253 to 136, but the Knights led in yards passing 86 to 61.

Knights Whip Conroe In Season Opener

McCallum's Knights rolled past the Conroe Tigers 7-0 Sept. 10, at Conroe.

Control of the ball plus a 17-yard touchdown pass from quarterback Dick Maxwell to end David Bradshaw gave the Knights a touchdown and the margin of victory. The Knights used up some six minutes on their touchdown drive in the third quarter. James Frey booted the extra point.

Linesmen showed stout defensive work in holding the Conroe team to some 30 plus yards gained on the ground. Via the airways the Tigers managed only 11 yards.

Jimmy Schiller and Dick Maxwell headed the Knights on offense by gaining some 200 plus yards from the line of scrimmage between them.

Knights Edge Victoria In House Park Thriller

House Park was the site for McCallum's Knights 7-6 win over Victoria's Stringarees Friday night, September 17.

Both teams did all of their scoring in the first period. The Stingarees drew first blood when a fourth down snap from center sailed over the intended punter's head and was grounded on the Knight's 20-yard line. Neil Swisher smashed over from the 7 on the Stingarees' third play of the game. Extra point try from placement was wide.

James Frey recovered a Stingaree fumble on the Stingaree's 46 to set up the Knights' lone touchdown. In five plays the Knights ate up the 46 yards for the touchdown with Jimmy Schiller grinding out the last 20, showing fine broken field running. The outcome of the game was then heaped on the shoulders of little 137-pound James Frey. Frey booted the point with the ease of a veteran, thus giving the Knights their second straight win of the 1954 football season.

Arnold Sparks Knights To Win Over Mustangs

By JOHNNY COMBS

Hard-running Fred Arnold proved to be the Knights' big offensive gun Friday night, September 24, in a 13-6 victory over the Alamo Heights' Mules in San Antonio.

Arnold scored both Knight touchdowns on runs of 72 yards and 37 yards. On both runs Arnold had beautiful down field blocking by the whole Knight team.

James Frey and Ronald Green stood out for the Knights on defense. Time and time again Frey and Green threw the opposition for losses by diagnosing the play ahead of time. Irvin Rawls, Wiley Wyman, and David Bradshaw also played a bang-up game for the Knights on defense.

Billy Rochelle proved to be the Mules' big ground gainer, while their sophomore quarterback proved to be the potent ball handler and passer.

San Antonio's Mules completely controlled the ball in the second quarter. They had possession of the ball for 24 plays in the sec- the ball for 24 plays from the line of scrimmage while the Knights had only three plays.

Knights Stomp Seguin Offense, Defense Shine

Seguin's Matadors fell before a McCalluum Knight offensive machine by a 39-6 count Friday night, October 1, at House Park.

Scoring plays of 12, 69, 2, 1, 25, and 10 yards were reeled off by the powerful Knights against a weak Seguin defense.

Strangely enough not indicated by the score, Seguin had complete charge of the game in the first quarter. The Matadors rolled to 6 first downs the first quarter, and failed to gather a single first down the last 3 quarters.

In the yards rushing department the Knights had a commanding 332 yards to Seguin's 117 yards. Riding the arms of Dick Maxwell and Bob Smith, the Knights tallied 122 yards to Seguin's 89 yards in the air.

Jimmy Mitchell, Frank Weise, James Frey, Wiley Wyman, and Johnny Kennedy furnished the defensive pressure for the Knights against the Matadors.

The game was marked with 8 fumbles all recovered by the opposition each time.

David Bradshaw scored 3 points after touchdown by kicking 3 of 4 attempts. James Frey and Robert Brown attempted the other 2 points after touchdown tries.

Steve Mauer contributed most of Seguin's offensive punch although he was injured in the second quarter. Up until the point Mauer was injured, mid-way in the second quarter, he had gained 74 yards in 10 carries in averaging 7.4 yards per carry.

Jimmy Schiller was the Knights big ground gainer by gathering 122 yards in 18 carries.

Knights Score Quickly; Starve Off Late Rally

Scoring 14 points the first half, McCallum's Knights fought hard to stave off a Corsicana rally and gain a 20-14 decision Friday night, Nov. 5 at Corsicana.

Enjoying one of their best nights on the ground, McCallum gained 202 yards rushing. Frank Weise carried the bulk of the Knights' ground work by carrying the ball 17 times to gain 89 yards.

Corsicana was completely bottled up by the Knights defensive unit the first half. Then coming out in a spread the second half, they took the measure of the defensive unit to run up two quick touchdowns before the Knight defense began to click once more.

McCallum drive 45 yards for their first score with Jimmy Schiller carrying the ball into the end zone from nine yards out. Jimmy Mitchell's try for point after was good.

Frank Weise plunged 2 yards for the Knights second touchdown to climax a 50 yard drive. Again Mitchell booted the extra point.

Corsicana struck for 2 quick scores in the last period on a three yard run and a 66 yard pass play. Elieum Ross booted both tries for extra points for the Broncos.

McCallum used a sustained 69 yard drive for their winning touchdown with Fred Arnold carrying the ball the last 3 yards. Mitchell's try for extra point was no good.

Spirited McCallum Knights Knock Down Palestine Wildcats By 19-12

A fired-up McCallum eleven spotted a strong Palestine team 6 points and then roared to a 19-12 victory Saturday night, Nov. 13, at House Park.

Speedster Bobby Neal sped 36 yards and went into the McCallum Knights end zone standing up for the Palestine Wildcats' first touchdown. Try for extra point was no good.

Jay Hawley recovered a bobbled punt return to set his Knights up in business on the Wildcats 16-yard line. From here the Knights drove to pay dirt in only three plays with Frank Weise bursting across the goal line from four yards out for the Knights' initial score. Try for extra point was no good.

Play in the first half ended in a 6-6 deadlock with defense showing over the offensive play. Lynn Phinney, James Frey and Ronald Green played heads-up ball to hold the Wildcat team to a stand-still from early in the game until the conclusion.

Palestine used a 58-yard sustained drive to score their second touchdown 5 minutes and 10 seconds deep in the third quarter. The try for extra point was wide to the right.

Not to be outdone McCallum snapped back on a 65-yard scoring jaunt by Fred Arnold to score one minute later. Jimmy Mitchell booted the extra point.

McCallum's third and final touchdown was scored on a 7-yard reverse with Jimmy Schiller going over for the 6 points. The drive was high-lighted by a 59-yard pass play from Dick Maxwell to Jay Hawley. Lynn Phinney threw the key block to clear Hawley down to the Wildcats 11-yard line. Try for extra point was no good.

Palestine out gained McCallum on the ground, 195 yards to 176 yards, in the air, 96 yards to 59 yards, and in first downs 9 to 6.

The win threw the District scramble into a three-way tie between McCallum, Palestine, and Temple.

Broncos Stubborn Foe As Knights Truimphant

Teddy Henderson charged through to block Bryan's try for extra point to give the McCallum Knights a 7-6 victory over the Broncos Friday night, Oct. 29 at Bryan.

McCallum used a 79-yard drive to score their only touchdown with Dick Maxwell plunging the last two yards for the score. Jimmy Mitchell kicked the try for extra point which spelled the difference on the outcome of the game.

In the air lanes the Knights had a good game. Dick Maxwell connected on passes to Frank Weise, Robert Brown, and Fred Arnold for 53, 34, and 30 yards respectively for a total of 117 yards in the air.

Behind the Broncos in first downs 13-12 the Knights led in the yards rushing department 155 yards to Bryan's 98 yards.

Halfback Jimmy Schiller and fullback Frank Weise teamed to gain 115 yards of the Knights 155 yards rushing.

McCallum lost the ball three times on pass interceptions while Jerry Andrews and Frank Weise gathered in two enemy passes for the Knights.

Knights Win District, Lose Toss To Bring Down Curtain On Season

Joy turned to sorrow and tears for McCallum rooters approximately one hour after A. N. McCallum's head coach Forrest "Dutch" Kline 'flipped out' of the AAA playoffs on the coin toss following his Knights 33-7 thumping of the Travis Rebels at House Park, Wednesday night, Nov. 24.

After winning the traditional victory bell, a piece of the district championship and the game itself, one cannot say all was lost on what will be to McCallum boosters a memorable "flip of a coin."

For the entire duration of the game McCallum was never threatened for the lead and once ahead the Knights moved the ball at great length each time they possessed it.

Fred Arnold waited for his blockers and played each one to his advantage to speed 24 yards into the end zone for the first score. Jimmy Mitchell scored the extra point on a kick from placement.

Recovering a fumble on the Travis 41 yard line, the Knights drove for another score in 6 plays. Dick Maxwell burst over the double stripe from 1 yard out for the score. Again Jimmy Mitchell kicked the extra point from placement.

Travis finally broke its zero score when Fred Bednarski crashed over the goal line from 1 yard out for the tally to cap a 69 yard Rebel drive. Bednarski's try for extra point was good.

McCallum scored again before the half as Jimmy Schiller refused to go down and traveled 40 yards to pay dirt. Mitchell's try for extra point was blocked.

Scoring ceased until the fourth quarter, then quarterback Dick Maxwell sneaked into the end zone for another McCallum score. Mitchell's try for extra point was no good. Maxwell's 4 yard sneak into the end zone was set up by a 32 yard sprint by Jimmy Schiller and a 49 yard sprint by Frank Weise.

Weise scored the last Knight tally giving each starting backfield man a score for his efforts. Weise's score came on a 17 yard pass play with Dick Maxwell tossing.

The entire McCallum offensive line did fine jobs of opening holes as evidence of the 409 yards the Knights had rushing. McCallum also ground out 15 first downs and 43 yards passing.

Coach Jimmy Viramontes and his McCallum Knights began their successful surge for a second district championship in as many years January 7th at Corsicana. Big gun, offense-wise, for the Knights was LaRue Robinson. Robinson scored a game total of 11 points.

Led by Bud Osborne the Corsicana quintet made the visiting Knights go all out for their 41-35 win. The Knights' victory came as a result of a finely played last quarter.

Running into little opposition from a weak Travis quint, McCallum easily ran up a 50-21 win for district win number two.

The Knights, playing nearly faultless basketball, were entirely too much for our cross-town rivals. Jay Hawley and LaRue Robinson furnished the Knights' scoring punch, while Freddie Morrisey, Allen Reedy, and Greg Martin were the Knights' aggressive, ball-hawking, floor men.

Temple's Wildcats played more like gentle house cats to become victim number three for the talented Knights, as the Cats tumbled in defeat, 57-35.

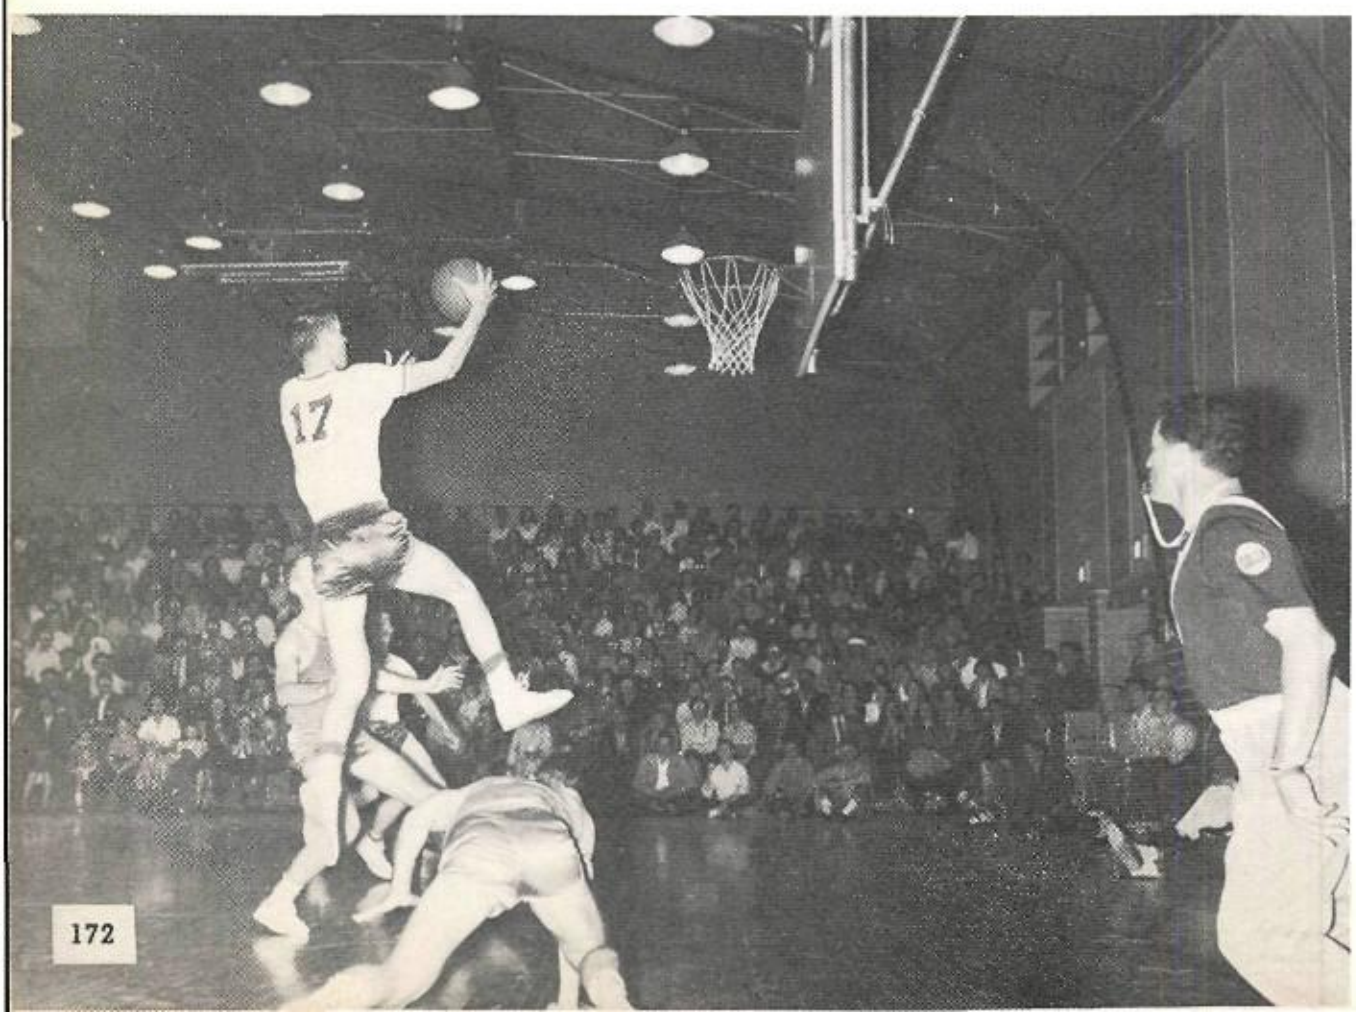
Robinson for 2 as the Knights go down fighting 50-46 in second bi-district game



Forward Jay Hawley played an overwhelmingly good offensive game, as did his scoring partner LaRue Robinson. Hawley tallied 29 points. Freddie Morisey, Allen Reedy, and Greg Martin finished out the Knights' starting five, and all three enjoyed a well played game.

Paving the way for district win number four, was Jay Hawley and his 39 points. Paced by Hawley's 39 points, McCallum bested a fine playing Bryan team, 67-57.

Bryan's Tracy Peters tried valiantly to keep his teammates in the game by tallying 16 points, but the smooth working Knight team had too much basketball "knowhow" for the Broncos.

Freddie Morisey was the Knights' second best scoring wise, as Freddie tallied a respectable total of 11 points.

Knight rooters could really smell the district championship in the air, as the Knights squeezed by a highly regarded Palestine team, 49-44 to complete the first half of district play undefeated.

Again Jay Hawley took charge of the Knights' scoring chores, and did so marvelously by scoring 25 points. Robert Brown came along in fine style to handle the Knights' rebounding duties, and cleared the boards time after time for his McCallum teammates.

For the second time Corsicana's Tigers carried the battle to the Knights, and forced the Knights to go all out for a 49-45 victory.

McCallum's scoring punch of Jay Hawley and LaRue Robinson again were the offensive leaders for the Knights. Hawley netted 23 points, while Robinson contributed 10 points.

Free throws gave the Knights their margin of victory as they sank 21 shots in 26 attempts. Corsicana had the same number of attempts but made 17 to hand the Knights their four point margin for victory number 6 in district play.

Hungry for victory number seven in district play, McCallum downed their cross town rivals, the Travis Rebels, by a 53-40 score.

The Rebels made a game of it the first half of play, but Jay Hawley, LaRue Robinson and Robert Brown quickly got the Knights on the winning track. These three boys, Hawley, Robinson, and Brown scored 18, 13, and 10 points respectively for the Knights.

Winton Scott was the big noise for the Rebels as he ripped the cords for 14 points.

Beginning with a rush and finishing like a turtle, McCallum pulled past Temple Wildcats by a narrow 46-43 margin for victory number eight in the district chase.

Jay Arnette, absent in recent McCallum basketball games, took over the driver's seat for the Knights and guided his teammates to victory by scoring 13 points, high for the night.

Hampered by a busted finger, McCallum's high scoring Jay Hawley hit the bucket for a respectable game total of 12 points. LaRue Robinson also scored 12 points.

Playing inspired basketball without the services of star forward and guard Jay Hawley, McCallum won over a strong Palestine team in one overtime by a 66-61 score for district win number nine.

Joined together and playing team basketball, McCallum came from 10 points behind in the third period to win the game.

In overtime play, Jay Arnette quickly sank two field goals to give the Knights more than enough points for district win number nine.

Knights Jay Arnette and LaRue Robinson supplied a 45 point scoring punch to give the Knights a clean slate in district play, as the Bryan Broncos became the Knights' tenth straight victim by a 75-62 score.

Coach Jimmy Viramontes was absent for this game, but assistant coach Frank Rundell coached the team to victory.

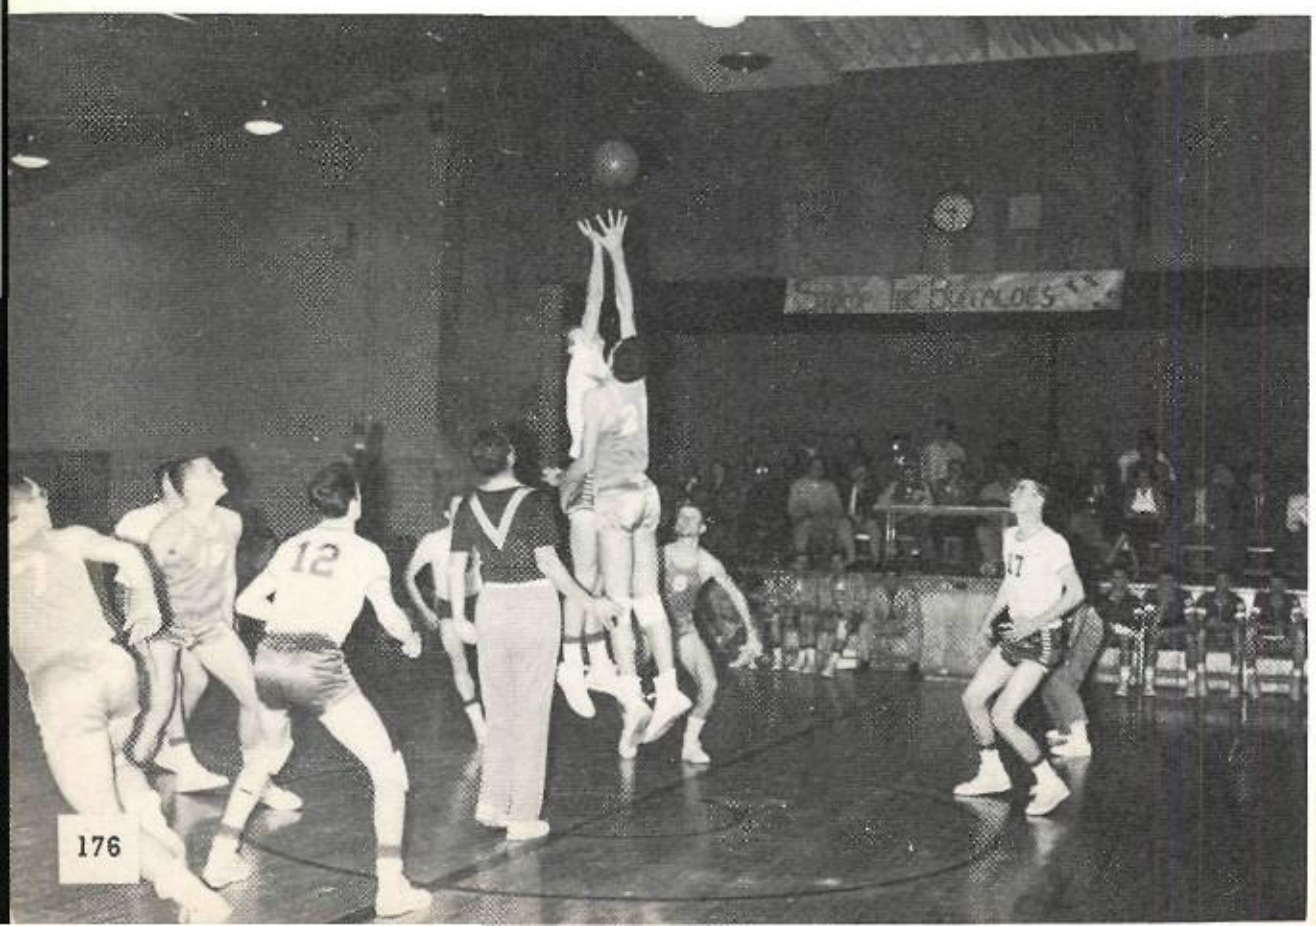
Brown gets high in French-McCallum game



High point man for the game was the Knights' Jay Arnette with 25 tallies. In this game, Jay Hawley sewed up his second individual scoring championship in district play by scoring 11 points.

Coach Jimmy Viramontes' Knights journeyed to Beaumont to battle in bi-district with a model basketball team of French High School.

Bobby Courville was the lad that hurt the Knights most as he rolled up a massive 27 points. Bobby was helped along by fine team play from his Buff teammates to make the victory a team victory.

McCallum played poorly the first three quarters, but came back for a good fourth quarter. By that time though the French Buffs had won the game.

Inability to hit free throws and excessive fouling by the Knights gave the French Buffs the second win in bi-district play and the bi-district championship.

Freddie Morisey and Robert Brown played outstanding ball for the Knights by scoring 12 points each, but their efforts were just not enough to offset the 50-46 defeat.

Buff center, Charles "Spanky" Williams, played the best all around game, as he played a cool, calm, and very effective ball game by scoring 23 points.

SOPHOMORE OFFICERS

The Sophomore class officers were elected at the beginning of the fall semester. They plan activities for the class and often preside at assemblies. Pausing in the hall to discuss plans for a class project are left to right: Wiley Wyman, Martha Smith, Charles Steger, Jinx Williams, and Wayne Fickle.

Many Rivers To Cross...
